PROCUREMENT OF RANDOM SOURCE DOGS AND CATS, DEALERS.

No dealer or exhibitor shall knowingly obtain any dog, cat, or other animal from any person who is required to be licensed but who does not hold a current, valid, and unsuspended license. No dealer or exhibitor shall knowingly obtain any dog or cat from any person who is not licensed, other than a pound or shelter, without obtaining a certification that the animals were born and raised on that person's premises and, if the animals are for research purposes, that the person has sold fewer than 25 dogs and/or cats that year, or, if the animals are for use as pets, that the person does not maintain more than three breeding female dogs and/or cats.

*Licensee is purchasing animals for resale to the pet industry. Upon reviewing computer records for the year 2008, licensee has bought approximately 516 animals from unlicensed "hobby breeders". Broker records identify the person(s) as a "hobby breeder". Broker records reflect either more than 3 different breeds of dogs or the whelping time line indicates that more than 3 breeding females are present. No dealer shall knowingly obtain any dogs from a person who is not licensed without obtaining a certification that the animals are born and raised on that person's premise and that the person does not maintain more than 3 breeding female dogs.
